The image shows an outdoor industrial equipment yard. In the foreground, there are two large red metal frames, each containing a complex assembly of valves, pipes, and fittings. Behind them is a blue metal structure that appears to be a pipe rack or support frame, with several large pipes resting on it. To the right, there is a yellow metal structure with a large spool of black cable or hose. The ground is covered in gravel and sparse green weeds. The sky is clear and blue. A watermark is overlaid on the center of the image.

A photograph of a red industrial valve assembly, likely a wellhead or manifold, situated on a gravel lot. The assembly consists of a central vertical pipe with several horizontal pipes branching off. It features multiple hand-operated valves with large red wheels. The entire unit is mounted on a red metal frame. In the background, there are blue and yellow industrial structures, possibly part of a rig or wellhead, and a grassy field under a clear sky. A watermark is overlaid on the center of the image.

The image shows multiple stacks of oilfield drill pipe. Each pipe is dark, heavily rusted, and has a red plastic end cap. The pipes are stacked in a way that shows their length and the repeating pattern of the end caps. In the foreground, a pipe has white chalk markings: "1985" and "4 1/2 New". The background shows more stacks of pipes and some green vegetation on the ground.

A blue industrial rig, possibly a wellhead or pumpjack, is shown in a gravel lot. The rig has a yellow metal platform on top with railings. On the platform, there is a large white cylindrical tank and a red cylindrical tank. The rig is supported by blue legs. A large coil of black cables is visible on the side. The background shows a clear blue sky and other industrial structures.

A large blue tarp is draped over a blue metal frame, secured with black straps. The frame is part of a larger structure, possibly a rig or trailer, with a red metal cage visible in the background. The scene is outdoors on a gravel surface, with a chain-link fence and a grassy field in the distance under a clear blue sky.
