A close-up, low-angle shot of the front of a white truck. The truck features a prominent chrome grille with vertical slats. Below the grille is a heavy-duty black bumper with several circular cutouts. A white vertical post is visible on the left side of the bumper. The truck is parked on a gravel surface. In the background, a yellow truck and some industrial equipment are partially visible under a clear blue sky.

A white utility truck is shown from a side-rear perspective. The truck has a crane mounted on its bed, with a yellow boom extending upwards. A large, light-colored metal toolbox is mounted on the side of the truck bed. The truck is parked on a gravel surface under a clear blue sky. The text "www.PetroRigs.com" is overlaid in the center of the image.

A close-up photograph of the side of a white metal truck chassis. The image shows a horizontal metal beam with a lockable compartment below it. To the right, a large black tire with a yellow hub is visible. In the foreground, there is a metal component, possibly a hitch or a mounting bracket, with some rust. The ground is a light-colored gravel or dirt surface. The text "www.PetroRigs.com" is overlaid in the center of the image.
