LEE C MOORE

A Woolslayer Company

RIG ROVER™

MANUFACTURER SERIAL NUMBER:

MODEL NO.:

CAPACITY (LBS.):

MANUFACTURED BY: **LEE C. MOORE**

MANUFACTURED DATE: (MONTH/YEAR):

CATOOSA, OKLAHOMA

U.S.A.

LEE & MOORE

The image shows a white metal structure, possibly a boat's hull or a large piece of equipment, with a yellow label that reads "LEE & MOORE". The label features a logo consisting of three vertical bars of varying heights to the left of the text. Below the main label is a smaller, rectangular metal plate with illegible markings. The structure is mounted on a wooden deck made of horizontal planks. To the left, two black cables are visible, and to the right, there is a white metal component with a circular hole. The scene is brightly lit, suggesting an outdoor setting.
