CONTROL MODULE

[www.PetroRigs.com](http://www.PetroRigs.com)

A photograph of an open cardboard box, likely for a Governor's Control product, lying on a dark surface. The box is open, showing its interior. A small label on the inside of the lid reads "GOVERNOR CONTROL". A large, white, semi-transparent watermark "www.PetroRigs.com" is overlaid across the center of the image. The box is made of corrugated cardboard and has some tape visible on the edges.
