

www.PetroRigs.com

The image shows two large, red industrial machines, likely part of an oil or gas rig, standing in a dirt yard. The machines have a complex structure with vertical beams, horizontal crossbars, and large circular openings at the top. They are surrounded by various industrial components, including large metal gears on the ground in the foreground and several blue-painted metal pipes or cylinders lying horizontally in the lower right. In the background, there are green trees, a clear blue sky, and some industrial buildings or storage containers. A watermark is centered over the image.

CAPACITY (DRILL PIPE MODULE)

MAX TORQUE: 100,000 FT LBS MAKE-UP

SIZE RANGES 3 1/2 - 9 3/4 IN. O.D.

UTILITY REQUIREMENTS

HYDRAULIC: 3000 psig at 45 USGPM

ELECTRICAL: 120 VAC, 60 HZ

PNEUMATIC: 30 SCFM AT 100 PSI

Varco

1127661

AUTOMATED ROUGHNECK AR5000

SERIAL NO: AR50F23R013

MFG YEAR: 2008

PART NO: D384000024-1

WEIGHT: 18000 LBS

CAPACITY (BOTH PIPES) 1000 LBS
MAX TORQUE: 100,000 FT LBS MAKE UP
TUBULAR DIA: 3.5" - 9.75"

UTILITY REQUIREMENTS:

HYDRAULIC: 45 GPM AT 3000 PSI

PNEUMATIC: 30 SCFM AT 100 PSI

ELECTRICAL: 120 VAC 50 HZ

A large, red industrial machine, possibly a pumpjack or a similar oil field equipment, is the central focus. It has a complex structure with various components, including a large circular frame at the top and several vertical supports. The machine is painted a deep red color. In the foreground, there are several large, blue-painted pipes that are heavily rusted and show signs of wear. The background shows a clear blue sky and some green trees, suggesting an outdoor setting. The overall scene is one of industrial activity in a natural environment.
