An industrial site under a bright blue sky with scattered white clouds. In the foreground, a large white generator is mounted on a metal frame. To its right is a large blue cylindrical tank with a red diamond-shaped hazard symbol. In the lower-left foreground, several white plastic buckets are lined up. A tall light pole stands near the generator. In the background, there are blue industrial buildings, a parking lot with several cars, and a portion of a yellow vehicle on the right. The ground is a mix of dirt and gravel.

MADE IN U.S.A.
DRILL TEC
NC 50

A large stack of industrial pipes, likely drill pipe or casing, is neatly piled on a gravel surface. The pipes are arranged in several rows, with some showing signs of use and rust. In the background, a tall drilling rig is visible against a blue sky with scattered white clouds. To the left, there is a small, light-colored building. The foreground shows a mix of gravel, dirt, and sparse grass. The overall scene is an outdoor industrial storage or staging area.

A large outdoor storage yard filled with stacks of wooden pipes and lumber. The pipes are stacked in neat rows, some supported by vertical posts. In the foreground, several long wooden planks are scattered on the gravel ground. The background shows a flat landscape with some trees and a building under a blue sky with scattered white clouds.
