A tall, vertical drilling rig stands in the center of a large, open field. The rig is supported by several thick cables extending to the ground. In the background, there are industrial buildings, a truck, and distant mountains under a clear sky. A large white watermark is overlaid on the center of the image.

A close-up photograph of a vertical metal pipe on an oil rig deck. The pipe is dark and shows signs of wear and rust. It is surrounded by other industrial equipment, including pipes and a red railing. The deck is wet, reflecting the surrounding environment. A watermark is overlaid on the center of the image.

www.PetroRigs.com

A photograph of an industrial rig platform. In the center, a large black vertical pipe stands prominently. To its right, there is a complex assembly of blue-painted metal machinery with several circular openings. The floor is wet and reflective, showing a red safety mat in the foreground. A person's leg in a grey uniform is visible on the left side. The background shows a green field through a metal railing.

A low-angle photograph of a tall industrial drilling rig. The rig consists of several vertical pipes, some of which are dark and others are rusted. A yellow metal structure with a platform is visible at the top. In the foreground, there is a large blue cylindrical tank with a blue pipe connected to it. The background is a blue sky with scattered white clouds. The text 'www.PetroRigs.com' is overlaid in the center of the image.
