FARRE

W.P. 165 BAR 2393 PSI 2016 MADE IN

[www.PetroRigs.com](http://www.PetroRigs.com)

A large, blue-painted industrial machine, likely a component of an oil rig, is shown in a factory or workshop setting. The machine features a prominent vertical cylindrical section on the left and a large, angled structural beam extending from the center towards the right. The background shows other industrial equipment and bright overhead lights. A watermark is visible in the center of the image.
