

A white semi-truck with a large, boxy trailer is parked inside a large, open garage or workshop. The truck is viewed from a side-front angle. The trailer is white with a door on the side. The truck has a prominent chrome grille and large headlights. The garage has a corrugated metal roof and concrete floor. In the background, there are trees and other vehicles. A watermark is overlaid on the image.

A front-facing view of a white Freightliner truck parked in a garage. The truck features a large chrome grille with the 'FREIGHTLINER' logo in the center. Above the grille is a chrome bumper with a mesh section. The truck has large headlights on either side and side mirrors. The roof of the truck has several orange marker lights and two circular air horns. The background shows the interior of a garage with a corrugated metal ceiling and various equipment.

A close-up photograph of a worn tire tread. The tread pattern is heavily degraded, showing significant cracking and loss of rubber. The tread consists of several parallel longitudinal grooves with sipes. A watermark is overlaid on the center of the image. The tire is mounted on a light-colored wheel rim with several circular holes. The background is dark and out of focus.
