

A photograph of industrial machinery, possibly a pump or valve assembly, located inside a wooden structure. The machinery is primarily grey and features a prominent circular red flange with four bolts. A vertical grey pipe runs through the center, with various fittings and a metal cage-like structure around it. In the background, there are wooden walls and a metal ladder or walkway structure. The overall scene is dimly lit, with some light coming from a window or opening in the background.

The image shows a cluttered industrial or storage area. In the foreground, there are several large, crumpled plastic bags: a prominent red one at the bottom center, a large blue one to the right, and a brown paper bag to the left. The background features a complex structure of metal pipes, beams, and machinery, possibly part of a rig or wellhead. The walls are made of wood paneling. A watermark is overlaid on the center of the image.

A photograph of an industrial storage facility. The scene is filled with metal racks, pipes, and various equipment. A large blue tarp is draped over a pile of items on the right side. The background shows a wooden structure, possibly a barn or a workshop, with a corrugated metal roof. The lighting is somewhat dim, suggesting an indoor or shaded environment. The overall impression is one of a well-organized but busy industrial space.

A narrow alleyway between wooden walls. In the center, there is a large piece of industrial equipment with a grey metal surface and a red "DANGER" label. A string with clothespins is stretched across the alley. In the background, two workers in orange and green safety gear are visible near a white container with a sign that reads "¡NO LAS PUERTAS AL-EN HORAS DE CARGAMENTO!". The scene is brightly lit, suggesting an outdoor or well-lit industrial setting.
