A photograph showing a vertical stack of approximately ten oilfield drill pipe joints. The joints are made of metal and show signs of wear, including rust and surface texture. They are stacked horizontally, with the top joint being a dark, possibly black-painted, section. The background is a blue, weathered metal surface. A watermark is centered over the middle of the stack.

The image shows a complex industrial machine, possibly a pump or compressor, with a prominent red safety cage. The machine has various pipes, valves, and cylindrical components. A large green panel is visible on the left side. The background is filled with more industrial equipment and structures. The text "www.PetroRigs.com" is overlaid in the center of the image.
