The image shows four yellow industrial containers, likely for oil or gas, mounted on a silver metal trailer. The containers are arranged in a row and have a mesh-like structure on their sides. The trailer is parked on a dirt and gravel surface. In the background, there is a blue sky with scattered white clouds and a blue storage tank on the right side. The website address 'www.PetroRigs.com' is overlaid in white text across the center of the image.

A blue metal structure, possibly a skid or enclosure, is situated on an oil rig. Inside the structure, there is a complex arrangement of red industrial machinery, including what appears to be a pump or motor assembly with several gauges. The structure is supported by four blue vertical posts. In the foreground, several thick, dark cables are bundled together and run across the base of the structure. The background shows the complex steel framework of the rig under a clear blue sky with some clouds. A red ladder is visible on the left side of the frame.
